NATIONAL PRESIDENTS REPORT - PHILIP EVANS

Hello friends,

I can hardly believe that it has been almost three months since our National Conference in Bideford, where I was inducted into the office of National President in the presence of so many friends and colleagues, a truly memorable experience. I am acutely aware of how great an honour this is, and I would like to thank everyone for all of the congratulations, good wishes and cards received. I also wish to thank Pilgrims Alan

Harries and Keith Jenkins for the manner in which they conducted the ceremony, and I would like to congratulate Jean Gardner, our new and very first Lady Vice President.

This is my first report for the magazine, and unfortunately, I have little to report. While several invitations have been received to Mid-Term Conferences and Ladies Nights, etc., I have not visited any of your lodges yet. In August, we have been invited to Southend's barbecue, and Mary and I are looking forward to it with great eagerness. I am also looking forward to meeting the rest of you during the remainder of my year.

While I said that I have not made any visits yet, Mary, in her role as First Lady, was invited to the Ladies' Afternoon Tea at Tredegar Lodge in June – your turn next year, Gerald! While I was not asked to attend this event, I did attend unofficially as my services were required as a chauffeur. I took the opportunity to sample the treats on offer in the kitchen. I must say that these ladies do themselves very proud; it was all delicious.

As I said in my address to our National Conference, we need to begin our preparations now for next year's Centenary and the vast opportunity it offers in raising the profile of Moose in our communities. Along with raising the profile of Moose, it will hopefully increase our numbers. Don't forget we have been asked to bring in 100 new members to celebrate the Centenary.

Mary and I hope you all enjoy the rest of our summer. We wish you all good health and every success in all your endeavours.

"Let us all go forth, with good thoughts, good words, and good deeds for all mankind."

CHAIRMAN OF THE MANAGEMENT COMMITTEE REPORT ALAN HARRIES

Time flies when you are either very busy or enjoying yourself; in my case, it is because I am busy. Or maybe it is my age. Either way, Moose goes on the best way it can, by being busy with our fundraising, in our caring for those around us, and just generally getting involved one way or another, by helping out.

We had an interesting Conference at Bideford, and I also know that the clear majority of those who attended thoroughly enjoyed themselves. Before you know it, the next Conference will be on us. This year, we saw some changes, with Mrs. Jean Gardner being inducted into Office as our National Vice-President, which was a historic moment for Great Britain. Past National President of Ladies' Circles, Mrs. Glenda Soley, takes on the new position of Chairperson for the National Ladies' Circles Committee.

Past National President John Palmer takes over as National Welfare Chairman from Past National President Gerald Gardner. Past National President Gareth Griffith continues as National Legion Officer.

As we should all know, the 100th Anniversary Dinner will be held at the Celtic Manor Resort, Newport, on Saturday, 25th July 2026. I am hoping that a good number will attend this function. Yes, I realise that the dinner is £70 each, and to this end, I trust that those wishing to attend have started their own savings fund. To this end, you will find an insert in this magazine relating to the dinner and attendance.

In the meantime, I trust you are all getting on with selling your Grand Draw raffle tickets. Please remember to get them back well in time for the Draw, which is taking place at the Group 1 Conference on Sunday, 19th October. If you are attending, then why not take them with you.

One of the most important things we need to do is continue with gathering

new members and trying to hang on to the members we have. We ALL need to make the effort. We also need to look at working with all our members to make Moose better, friendlier, not that it isn't, just make it better. Yes, "Moving Forward Giving Back", look to Moose as well as our Communities.

CHAIRPERSON OF NATIONAL COMMITTEE OF MOOSE LADIES' CIRCLES - GLENDA SOLEY

Hello Brothers and Ladies,

I hope that you are keeping well and enjoying the warm weather!

I was so surprised when asked to take over from Mary as Chairperson of the National Committee of Moose Ladies' Circles!

I promise to do my utmost to be worthy of the position. I would sincerely like to thank Mary for giving me the opportunity.

I am pleased to report that Mrs Ann Hall is keeping Dolphin Ladies up and running. They now have a new meeting venue where they will conduct a meeting one month, and a Tea & Chat the next. Thursday, 24th July was the first Tea & Chat event, and it was very successful. It will continue to be a delightful event.

I visit Basingstoke Ladies several times yearly and will attend Southend's BBQ in August. We will also be visiting Burnham-on-Sea in September for their Harvest Supper.

Today, 27th July, I chaired my first National Committee Meeting, which went well. Ideas for fundraising for the National Conference 2026 were discussed, and plans are in place to make it happen. Ladies, I would like to remind you that the National Fundraising Appeal is now called the Moose Ladies'

CHAIRPERSON OF NATIONAL COMMITTEE OF MOOSE LADIES' CIRCLES - GLENDA SOLEY

Appeal. Once again, we are supporting Action for Children because of their fantastic work with vulnerable children and families. Please do your best to raise some funds for the National Appeal. I know that some of you prefer to focus your charitable giving to your local area, and I understand that completely. However, Action for Children works throughout the country. It could work in your local area, so please remember them when donating at the year's end. All donations towards the National Appeal should reach Central Office by 31st March each year.

At National Conference 2025, we were very pleased to announce that an amount of £2,000 was raised for Action for Children. This was a tremendous effort on your behalf. Steph, our contact person, was delighted and very appreciative of such a generous donation. Steph will happily provide you with AFC materials for your fundraising efforts. Please contact your National Committee Member for Steph's contact details. Just a reminder of your National Committee Members and the Groups and Districts that they support: Jean Gardner, Group 1 – Districts 1 and 2

Maureen Hughes, Group 2 – District 3 / Janet Cottey, Group 2 – District 8
Pam Mansfield, Group 3 District 4 / Serena Nathan Group 3 Districts 5 and 7

Your National Committee Members and their Co-ordinators are there to help you and answer any queries you may have. Your Co-ordinator is your first point of contact, and then your National Committee Member. Therefore, if you have a query or a challenge, please get in touch with your Co-ordinator and National Committee Member rather than worry about something that may be solved quite easily! We have planned all our meetings for the Moose year 2025-2026, and we are looking forward to working hard on your behalf.

As you will all know, in 2026, Moose International will celebrate its Centenary Year! Just imagine, Moose in Great Britain will be 100 years old!

What a remarkable achievement. Just think of all the changes Moose has navigated throughout that time! It survived in a world of war and other periods of adversity; a world of technological change; a world where a man walked on the moon and so many more astounding events!

CHAIRPERSON OF NATIONAL COMMITTEE OF MOOSE LADIES' CIRCLES - GLENDA SOLEY

Moose is still going strong, providing a great social programme and a fantastic level of generosity in supporting others less fortunate than ourselves. So, let us sing it from the rooftops and celebrate our Centenary at our Moose Centenary Celebration at the Celtic Manor Hotel on Saturday, 25th July 2026 and in your local communities. Chief Executive, Scott Hart and his wife, Christie, will be in attendance at the event to celebrate with us on reaching our 100th Year of Moose! The celebration will be a fabulous evening with Dinner and Entertainment, with all our fellow Moose Members. Please do your best to attend. Start organising now! Set up a Lodge and Ladies' Circle Savings Club to cover the event costs; transport and, if you wish, an overnight stay at a fabulous hotel. It would be absolutely brilliant to have many of our Moose Members join together, caring, sharing, and enjoying the fun and fellowship that are so much a part of our Moose Organisation! I do hope that I shall see a significant number of you there!

As part of our Centenary Year, organising events in your own Lodges and Circles would be tremendous, and inviting people from within your local community to join you to celebrate our special Moose Birthday! That would be an excellent way for them to learn more about Moose; enjoy its hospitality, fun and fellowship. Who knows, it just might be the inspiration they need to come and join us!

My first meeting has gone well, and I look forward to the remainder of our National Committee Meetings for this Moose Year, which I hope will be as successful as today's meeting.

Thank you to your National Committee Members for giving up special time to attend the National Committee Meetings – they work very hard on your behalf. I shall close now, wishing you all a delightful summer and Moose Year!

Best wishes,

Glenda Soley

Chairperson – National Committee of Moose Ladies' Circles

National Welfare

NATIONAL WELFARE OFFICER REPORT - JOHN PALMER

Hello one Moose,

This is my first “report” as your National Welfare Officer. Still, as only two months have passed since taking this office, I can only report that two 50/50 club draws were drawn successfully (I think I have mastered the machine).

I have been asked already what welfare is. In the case of Moose, it is our obligation to care for our elderly, widows, widowers, and orphans. The first three are the easiest because we see each other in our respective communities, and our lodge welfare committees can take action as needed.

I do not think that we have any British orphans. Still, if we did have, then who knows, but at one time, they may have been made welcome at Mooseheart, Illinois, which I can say from first-hand experience is a fantastic place. Unfortunately, this is no longer the case because of specific U. S. educational laws.

All of this, of course, has to be funded, and this is mostly done by way of the 50/50 club, to which I always have new member application forms and the annual National Draw. Last year, this raised a disappointing amount, so I urge you to take your raffle books away from your lodge and sell the tickets to anyone who is not a Moose. This allows you to talk about Moose, as well as for them to win £1000.00!!

Lis and I look forward to seeing you at your respective midterm conferences, but in the meantime, stay well and enjoy the glorious summer.

EXMOUTH

COFFEE MORNING

On Monday, 14th April, Janet and Ian Cottey hosted a fund-raising coffee morning at their house for Exmouth Lodge. The event was supported by Wheatley St Michael, Taunton, Exeter and Torquay Ladies Circle members.

Other guests in attendance were National Lady President Gwyneth Melville and family. Like most Moose gatherings, there was a super draw with many prizes.

During the proceedings, Wheatley St Michael Secretary, Brian Gould, was pleased to donate £50 to the National Ladies appeal, and Janet presented Gwyneth with a bouquet of Flowers.

DONATIONS

In January 2025, Exmouth Lodge members were pleased to support the Exmouth Town Youth Football Club with a £500 donation towards new kit. The club has both boys' and girls' teams playing in local leagues and also takes care of the players' welfare.

Support for Exmouth Sea Scouts

At their February Lodge meeting, Rob Masters from the 5th Exmouth Sea Scouts gave a detailed history, workings, and update of the Scout group.

The Scout Group (ages 10-14 years) is based in the Exmouth & Budleigh Salterton Scout District in Devon, South West England. They meet on Monday evenings at the Imperial Recreation Ground. Scout Leader Howard Mallett was extremely grateful to receive £500, which will go toward the cost of a new Scout hut.

LADIES CIRCLE CHARITY

In April, Pam Mansfield and Davina Harris attended the presentation of the King's Award for Voluntary Services 2024 to Home Start Basingstoke, by the Lord-Lieutenant of Hampshire, Nigel Atkinson Esq.

Home Start is a charity Basingstoke Ladies Circle supported this year, donating £800.00.

MOOSE INTERNATIONAL VISIT THE CONQUEST CENTRE

On Tuesday, 11 March, the Yeovil Lodge of Moose International visited the Conquest Centre near Taunton to see the new facility that the Lodge had purchased for the Charity. The Lodge has provided much of the funds to have a new play therapy room installed at the Conquest Centre so that the Centre could significantly improve its facilities and support for children and young people with significant difficulties affecting their lives.

The picture shows Mac Parrott and his twin nuzzling up.

Lodge members were shown the new room and toured the rest of the Centre, which has developed considerably since it was a Riding for the Disabled facility. They were joined by members of Moose International's National Committee as well as members of the Taunton Lodge.

Yeovil Lodge supports local charities whenever possible, providing the funds for Yeovil Freewheelers to purchase a new motorcycle (Blood Bike) in 2023 and Yeovil Hospital to buy a portable ECG machine in 2024.

CONGRATULATIONS AT BURNHAM-ON-SEA

On Thursday, 22nd May, President Rita Harris awarded a 40-year membership certificate to Khalil and Julia Kattana.

They have both taken on various supportive roles within the order, with Khalil being a past National President and the current President of Moose Legion 8. Moose legions are the 'Second degree of service' to support Moose International's internal welfare service.

Next in line was Khalil, who, on behalf of Legion 8, was presented with a certificate for the largest amount of money donated to Moose welfare from the various Moose Legions. The award comes from the recent Moose International National Conference.

Last, but not least, past President of Burnham Moose Ladies' circle, Sandra Nicholson, was presented with a rose bowl trophy for her Ladies circle role in national fundraising. Since the recent closure of Burnham Moose Ladies Circle, Sandra has continued as the lodge's catering manager.

ENDING ON A HIGH

On the evening of Thursday, 13th March, the Burnham Moose ladies' circle held their final meeting at St Andrew's Church hall, but on a high note, as they handed over almost £4,000 to community groups and charities.

Ladies' Circle President Sandra Nicholson said: "Sadly, this is our last Burnham Moose 123 Ladies Circle meeting, but hopefully we have gone out on a high, presenting £3950 to 11 local charities. It has been an honour and a privilege to have been President of the Ladies Circle for the last three years, but sadly, all good things come to an end as our Ladies Circle closes after 71 years."

The largest donation was for St Margaret's Hospice, which was Sandra's chosen charity for the last year. Following the donations, all were treated to a lavish finger buffet to mark the closure of the group.

ANNUAL LADIES' NIGHT

On Wednesday, March 20th, thirty-seven members and honoured guests attended the Batch Country Hotel for their annual Ladies' night. A slightly different format this year and a new venue for us, but the catering was smartly done, with efficient table service and great food.

The top table officers were clapped in before the start of the meal, which was promptly served with a delicious three-course meal. Of course, the meal was followed by the usual loyal toasts, announced by Terry Cornelius, compère and toastmaster for the evening, plus the drawing of the raffle, which raised £111.00 towards the expenses of the event.

Moose President Rita Harris said; 'A terrific night out was enjoyed by everyone who attended our Ladies Night. As usual, the company was brilliant, and it was lovely to have support from members of Rotary as well as our Moose members. The lucky recipient of the special gift for one of the Ladies was Carol Lang. I understand that Pete Nicholson has already made a booking for next year's event, so we hope to see you all there!'

Taunton

DONATIONS

Taunton Lodge has held a donations event for many worthwhile causes since the beginning of the year. One such charity is Headway, who offer comprehensive, specialist support for individuals who have suffered a brain injury. From rehabilitation centres to lifelines for families, peer support, and community outreach, they create tailored services to rebuild independence, confidence, and social connection.

The RNLI also benefited from the money raised by Taunton Lodge. Also, a charity called Sure. "S.U.R.E." stands for the Somerset Unit Radiotherapy Equipment, a volunteer-run charity based in Taunton.

Lauren Jewhurst of Safe Families collected a cheque from Taunton lodge on behalf of the charity. They are a family-friendly group of volunteers who provide practical and emotional support to families, helping reduce isolation. Below are the representatives of all those charities for which Taunton raised funds.

EXETER LEUKAEMIA FUND

On Wednesday, 25th June, at their June lodge, Andy Jordal, Development Manager for Exeter Leukaemia Fund, was welcomed as a guest speaker. Andy gave an insight into the support they give to and help provide for families with blood cancer in Devon. Established in 1985, they have provided care and support at Royal Devon & Exeter Hospital and North Devon Hospital, and they were able to build a family suite at RD&E and various equipment, including a £20,000 ultrasound machine.

Founded by Dr. Miles Joyner, a consultant haematologist

Andy Jordal and President Mike Drew

at the Royal Devon & Exeter Hospital, Exeter Leukaemia Fund (ELF) is a patient-led support charity for those affected by blood cancer and related disorders. They provide compassionate, tailored care through the journey from diagnosis and treatment to recovery, both in hospital and in the community.

Following Andy's talk, the lodge was pleased to present a cheque for £1000 towards their funds.

There was an extra online sponsorship of £60 on the night, for a grand total of £1980. A big thank you to all sponsors for the marathon, the band, and all other donations from all members of Blackwood 11.

Blackwood Lodge

raised more than £1000 for Greenhill Primary School, Gelligaer. The fundraising event was hosted at the Square Royale, Bargoed. Live bands from the area performed to support the event and raise money for school equipment.

Blackwood Town Councillor Delwyn

Davies thanked the Square Royale for hosting the event, adding: "Each year Blackwood Lodge likes to fundraise for local charities, and this was another worthy cause".

In total, £1,050 was raised for the school, which was very grateful.

SCHOOL FUNDRAISER

Dear Moose International and the bands,
Thank you for raising so much money for our school and for the amazing music you played for us for free. We really appreciate you doing a fundraiser for our school and for everything else you have done. The money you have raised for our school is so incredible that we can't even put it into it's own words.

Tredegar

LADIES' CIRCLE AFTERNOON TEA

Tredegar Lodge No. 1 held their Ladies' Circle Afternoon Tea on June 13th. Abertillery, Abergavenny Lodges, and the First Lady of Moose Mary Evans supported the event.

The spirit of music, laughter, and community filled Tredegar Moose as the Blaenau Gwent Ukulele Band took to the stage to entertain members of the

Ladies' Circle during a special Afternoon Tea.

The event, organised to bring friends and members together, was nothing short of delightful. An array of delicious cakes, sandwiches, and of course, endless cups of tea. The warm and welcoming atmosphere was the perfect backdrop for an afternoon of music and friendship.

The Blaenau Gwent Ukulele Band proved once again why they are such a favourite in the local community. With their lively strumming, cheerful harmonies, and playful energy, they had toes tapping and hands clapping throughout the hall. Their wide repertoire – from timeless classics to upbeat sing-along tunes – ensured there was something for everyone to enjoy. Smiles were everywhere as guests joined in with familiar choruses, turning the performance into a shared

celebration of music.

The Ladies' Circle expressed their gratitude to both the band and the volunteers who helped make the afternoon possible. Many guests commented on how wonderful it was to gather together, enjoy good company, and support a local group that brings so much joy.
